

September 2016

Dear Parent/Carer

FINANCIAL CONTRIBUTION FOR DT AND ART

In the Design Technology and Art faculty, we pride ourselves on the variety of specialist opportunities we offer in Textiles, Food, Graphics, Art and Resistant Materials. This enables the students to experience designing and making use of many different materials and techniques in exciting and creative projects with a wide range of equipment across the faculty.

As we did last year, to allow us to maintain the current level of diversity we offer the students, we ask for a contribution towards the cost of consumable materials and equipment within the faculty. Please see below for the list of subjects and payment details specified for each year group, and make your payment via the WisePay link on our website:

- KS3 (Years 7 and 8) - £10.00 per year for Design Technology.
- KS4 (Years 9, 10 and 11) - £10.00 per year per subject studied - Textiles, Food, Graphics, Art and 3D Design.
- KS5 (Years 12 and 13) - £20.00 per year per subject studied - Photography, Art and 3D Design.

We should be grateful if you would kindly complete the attached reply slip, indicating which subjects your son/daughter is studying and return it to Mr Sayer.

Please note that students will still be asked to bring ingredients to Food Technology and some fabric for Textiles lessons. The contribution will help to provide consumables and also funds for demonstrations and food tasting experiences.

Many thanks for your cooperation in this matter.

Yours faithfully

Mr Ian Sayer
