

5 October 2017

Dear Parent/Carer

FINANCIAL CONTRIBUTION FOR DT AND ART

In the Design Technology and Art departments, we pride ourselves on the variety of specialist opportunities we offer in Textiles, Food, Graphics, Art and 3D Design. This enables the students to experience designing and making use of many different materials and techniques in exciting and creative projects with a wide range of equipment across the departments.

As we did last year, to allow us to maintain the current level of diversity we offer the students, we ask for a voluntary contribution towards the cost of consumable materials and equipment.

Please see below for the list of subjects and payment details suggested for each year group.

Please make your payment via WisePay.

- KS3 (Years 7 and 8) - £10.00 per year for Design Technology
- KS4 (Years 9, 10 and 11) - £10.00 per year per subject studied - Textiles, Food, Graphics, Art and 3D Design
- KS5 (Years 12 and 13) - £20.00 per year per subject studied - Photography, Art and 3D Design

Please note students will still be asked to bring ingredients to Food Technology and some fabric for Textiles lessons.

The above contribution will help to provide consumables and also fund demonstrations and food tasting experiences.

We thank you for your cooperation in this matter.

Yours faithfully

Mr O'Brien
Curriculum Leader of 3D Design
