Dear Parent/Carer

Year 11 Preparation for Achievement Evening

As a parent or carer of a student in Year 11, I am sure that you are all too aware of what a critical year this will be for your child. At SRWA, we are fully committed to supporting everyone through this challenging time. As part of this, we are holding a **Preparation for Achievement Evening** here at the Academy on **Tuesday 10 October at 6.30pm**.

This important event will explain what will happen over the course of this year, provide information about what is expected of your child and what is on offer in terms of support from the Academy, and also give you guidance on what you can do to provide valuable support at home.

In our marketplace after the main presentation, there will also be a chance to speak to subject leaders about questions and concerns, either generally or specifically related to your child, and to gain more understanding about what assessment will look like in each of these areas. Parents and carers of students with Special or Additional Needs and those who qualify for Pupil Premium funding will also be able to attend information sessions designed to outline the particular support that may be available to them.

We do hope that you and your child will be able to come and take advantage of this important and valuable opportunity. I am sure that, by working together with your child, we can ensure that they achieve their highest potential.

In order that we can prepare for the correct number of attendees, please can you let us know by **Friday 6 October** if you are able to join us, by completing the response form.

Yours faithfully

Suzanne Pike
Vice Principal
