

When you use Educake as a student, you see this page first:

The screenshot shows the Educake Science student dashboard. At the top left is the Educake Science logo and 'Online Formative Assessment'. At the top right is a 'Contact Us' button and a user profile box for 'Educake Demo School, Year: 9, Class: 9A, Julie Andrews' with a 'log out' link. The main content area is titled 'My Educake' and includes a 'Show Help' button. There are two main sections: 'Your teachers have set you 1 new test...' and 'You have completed 2 tests in the last month...'. The first section contains a table with one test entry. The second section contains a table with two test entries. Below these are navigation buttons for 'Key Stage 3 Science' and 'GCSE Science', and a 'Reports' section with a 'View Your Report' button. A 'Help' section contains buttons for 'Change Your Password', 'Add Your Phone Number', and 'What Do You Think of Educake?'. Annotations with arrows point to various elements: 'Your teachers have set you 1 new test...', the first test entry, 'View Your Report', 'Set Yourself a Test', 'View Your Results by Topic', and 'Add Your Phone Number'.
