Dear Parent/Carer

## FINANCIAL CONTRIBUTION FOR DT AND ART

In the Academy's Design Technology and Art departments, we pride ourselves on the variety of specialist opportunities we offer in textiles, graphics, art and 3D design. This enables the students to experience designing and using many different materials and techniques in exciting and creative projects with a wide range of equipment across the departments.

To enable us to maintain the current level of diversity we offer the students, we ask for a voluntary contribution towards the cost of consumable materials and equipment for those students studying the DT and art subjects.

Please see below for the list of subjects and payment details suggested for each year group.

Please make your payment via WisePay:-

- KS3 (Years 7 and 8) - £10.00 per year for design technology and art
- KS4 (Years 9, 10 and 11) - £10.00 per year, per subject studied - textiles, graphics, art and 3D design
- KS5 (Years 12 and 13) - £20.00 per year, per subject studied - photography, art and 3D design

Many thanks for your support and cooperation in this matter.

Yours faithfully

**Mr O'Brien**  
**Curriculum leader of 3D Design**
